Re: United States v. Christopher Martin
Case No.: 1:07-mj-01973-UA-1

Dear Judge Cote,

I am the attorney for Christopher Martin. The purpose of this letter is to modify Mr. Martin's conditions of release in reference to the drug screening.

FACTS:

Mr. Martin has been successfully attending the drug screening program for the past seven months. Mr. Martin calls every single day to check whether he needs to attend the drug screening program the following day. As a result Mr. Martin is forced to leave work unexpectedly, and this causes him great hardship.

CONSENT:

My office has spoken with Assistant U.S. Attorney Nicholas S. Goldin in reference to modifying Mr. Martin's release conditions. Assistant U.S. Attorney Nicholas S. Goldin has no objections to modification of the drug screening process and agreed to limit the drug screening to once a month.

REQUEST:

For these reasons I respectfully request that Mr. Martin's conditions of release be modified and the drug screening limited to once a month.

Should your Honor have any questions or concerns please do not hesitate to contact me at your convenience.

Respectfully yours,

BP
